

At La Casa de las Chimeneas we are following the recommendations of the Center for Disease Control (CDC) and taking all Health Precautions to make your vacation in Picos de Europa safer:

- We clean and disinfect each apartment.
- We wash towels and sheets with Hydrogen Peroxide at > 60°C.
- Before the arrival of our clients, we apply a disinfecting Ozone Cannon on ceilings, walls and textiles, which in turn disinfects the air.
- We deliver a kit with masks, gloves and a disinfecting hydrogel. - We check that the Safety Distance is maintained in our common areas.
- We disinfect our gardens, pool and common areas twice a day. - Our pool is chlorinated under strict sanitary regulations.
- We receive our guests using a mask and we give them the key to each apartment perfectly disinfected.
- At the time of the Booking Confirmation, we request the acceptance of the Security Measures implemented in this establishment.
- We have posters with the Preventive Measures implemented in the apartments, with the guidelines to be followed by our clients.
- Information with Emergency Telephones, Health Centers and nearby hospitals.

Our rural accommodation assumes a firm commitment to this Risk Management and we systematically implement all the measures aimed at having a safe vacation.
